CROSSROADS	SUNSET TRAIL RESERVE 29SS	34'	Bunkhouse, queen bed, sofa sleeper, dinette

COMMENTS

Hard to find floorplan. Full bunkhouse in the back with one bunk that converts to a small dinette. Opposing slideouts create tons of room inside. Kitchen island with dual sinks and Corian countertops. Fireplace and TV swivel from living room to private bedroom up front. Outdoor kitchen with min-fridge, full sink, 2 burner stove, and bumper BBQ. I added slideout awnings, Progressive Industries hardwired surge protection/power monitoring. Includes satellite antenna and cable box. It has a mount for an exterior TV. I am also including all necessary hoses, cables, etc for full setup. Well cared for and has over 3 years left on a transferrable extended warranty!
